

REMARKS

Claims 1, 3 and 8-17 are all the claims pending in the application. Claims 1, 13, 14 and 17 are amended.

Support for the Amendments

Upon review of the Amendment filed on March 26, 2010, Applicants noted that certain typographical errors appeared in the claims. The present amendment is intended to correct those errors so that the application can most expeditiously proceed to allowance.

Further, Applicants noted a limitation in claims 1 and 13 to “side frame members” that appeared to be unnecessary, as that limitation was not again referenced until dependent claims 14 and 16. Accordingly, that limitation was deleted and claims 14 and 16 further amended for consistency.

No new matter is added.

In view of the above, and the amendments and arguments made in the response filed on March 26, 2010, reconsideration and allowance of this application are now believed to be in order, and such actions are hereby solicited. If any points remain in issue which the Examiner feels may be best resolved through a personal or telephone interview, the Examiner is kindly requested to contact the undersigned at the telephone number listed below.

The USPTO is directed and authorized to charge all required fees, except for the Issue Fee and the Publication Fee, to Deposit Account No. 19-4880. Please also credit any overpayments to said Deposit Account.

Respectfully submitted,
